

Traffic Rules at Cedars

Please **Do**:

Be Patient and Gracious! It's a big job to get over 350 kids off to school each day. We appreciate every effort to be kind, courteous, and patient with other drivers at drop-off and pick-up times.

Give Right of Way! Yield to loop traffic when entering traffic flow from the back parking lot.

Drop Kids Off in Front of School! Drop-off zone is the roadway in front of the playground as you exit the loop. Pause and drop off.

Use the Crosswalk! Keep children safe - use the crosswalk area in the back parking lot to reach the school grounds.

Please Do **Not**:

Speed! Speed Limit is **20 km/h** on school grounds at all times.

Go the Wrong Way! One-way traffic only through the loop and back parking lot.

Drop Off in Back Lot! Use back parking lot to park and walk young children to the school grounds via the crosswalk.

Park in No-Parking Zones! Parking is not allowed along the playground fence, along the roadside near the new building, in the cul-de-sac, or at Hurricane High Pressure across the street.

Drop Off in Staff Lot! ...unless you have a handicap child or special permission.
